

Doro 2820

Easy 4G mobile phone with large display

Doro 2820 is a stylish 4G clamshell phone that prevents accidental key presses when folded, and lets you answer and end calls with a simple flip. Easily call, message and share photos with family and friends thanks to widely separated, high contrast keys and a large, 2.8" screen. Other features include a built-in torch, assistance button, HAC (Hearing Aid Compatibility) as well as shortcut keys for the camera and messages.

- **Separated, high contrast keys**
- **Assistance button for extra safety**
- **Large, easy to read display**
