

## Universal beltclip

## SPECIFICATIONS

- Small (50 x 20 x 10 mm)
- Lightweight, only 7g
- Black 3M adhesive strip (0.64 mm thick)
- 5 mm beltclip opening
- 2 openings (Ø 4 mm)
- Ideal for devices without included clip like: GSM's, Walkie-talkies, wireless devices, remotes and much more

## Advantages 3M VHB tape

- Faster production and no finishing touches Which are required after spot welding
- More beautiful results - drilling is not necessary
- Prevents local strain around fixation
- Waterproof: save on cost for sealing
- Allows thermal expansion between uneven materials such as metal, glass and plastic
- Elasticity of tape reduces vibrations and noise

## Tip

- Make the surface dust and grease free before use
- Optimum adhesive is only achieved after 24h (after curing)
