

With its high audio quality, AI noise cancelling and crystal clear sound, the SYCO PPOC-4012 walkie talkie is well suited for noisy environments.

The SYCO PPOC-4012 uses 2G, 3G, 4G networks. Thanks to this versatility, the device offers global coverage.

The high-capacity ensures long battery life for the SYCO PPOC-4012.

With the build in man-down sensor you can use this radio in danger situations.
