## See and hear your baby from anywhere

Monitor your nursery with the Motorola VM44 CONNECT. While at home, use the large, 4.3" display to get a clear view of your little one. Download the Motorola Nursery app on your smartphone or tablet to stream video in HD when you're on-the-go. Get a close-up view of your little one using the digital zoom function. Monitor the room temperature to ensure the nursery is comfortable for your baby. Speak to and hear your little one from home or on-the-go with the two-way talk feature and soothe your little one to sleep with a lullaby or soothing sound, without going into the nursery. You can even create your own audio recordings and soothing sounds to play for baby when you're away, via the Motorola Nursery app.
