See and hear your baby from anywhere

This Motorola VM855 CONNECT 5.0" Portable Wi-Fi® Video Baby Monitor with Flexible Crib Mount enables you to keep an eye on things while at home on the handheld parent unit and away on compatible smartphones, tablets, and computers. Take the portable, battery-powered camera with you around the house to watch your little one wherever they are, and see the whole room clearly, day or night, with remote pan, tilt, and zoom and infrared night vision. Use the flexible crib mount to place your camera in the perfect position to view your little one. The Motorola Nursery app allows you to receive sound, motion, and temperature notifications to your compatible viewing device so you can always stay connected to what's going on at home.
